

**Reverend Funk and the Horns of Salvation are a Melbourne based 7 to 10 piece line up, playing Soul, Funk, R&B and Disco dance music made famous by the original masters from the 60's till now.**

Reverend Funk and the Horns of Salvation have been playing together for over 15 years. This is a corporate and live act that really knows what they are doing.

Time after time, and time and again the band is met with satisfied clients and guests. Often quickly re-booked for the same event, this band has performed in almost every corporate venue around Melbourne, every hotel ballroom and major event space.

Interstate performances are not a problem. Over the years this band has played in the major hotels and event spaces in Sydney, not to mention all over Queensland from Port Douglas to Coolangatta and The Whitsundays!

Live shows are packed out with punters just wanting to Shake their Booty! Over the years the band has held down live residencies at iconic Melbourne venues such as The Evelyn Hotel in Fitzroy, The Next Blue nightclub at Crown, Manchester Lane, Blue Diamond & Cherry Bar.

“ You guys were an absolute hit! Thanks for helping us have such a good night. Everyone was raving about how good the band was on Monday morning.”
