

100% Aussie hit parade show band. This band was created for the corporate entertainment market as a dance and showcase act. We feature a remarkable four piece vocal frontline and a full backing band. Nothing is pre-recorded, the whole show is live on stage.

If your audience love the classic Aussie-band hits like Shout!, Eagle Rock, Without You, Physical and Friday on My Mind then we're the band for you.

If they like the dance disco hits of the Bee Gee's, Kylie and Marcia Hines then it's time to say *"Kimmie... look at moui, look at moui... grab the keys to the 'Baroina' turn left out of fountain lakes call all the neighbours and get on down to the groovy moves, yah big hunka spunk!"*

If they enjoy the likes of the Hoodoo Gurus, Taxi Ride, Hunters & Collectors, Aussie Crawl, Dragon, The Angels, AC/DC, Barnesey and Farnsey then you'd better charge up the Weber and grab the snags, tie up the Blue Heelers down in the shed 'cause the party is goin' off!

We've got songs form The Veronica's, Rogue Traders, Kylie, Powderfinger, and more. The repertoire is always expanding.

"Garth and his team are fantastic to deal and provide top-notch entertainment."
